Utility Construction Certification

Friday March 11, 2016
St. Paul, MN

Registration: $130/$50

Agenda
7:30 am  Registration
8:00 am  Introductions
9:00 am  NPDES Permit
10:00 am Erosion and Sediment
12:00 noon Lunch
12:45 pm  Dewatering, Sequencing
3:00 pm   Exam
4:00 pm  Adjourn

Why should you attend?

All construction sites disturbing more than 1 acre of land need a NPDES permit and trained installers. The emphasis is on permit regulations pertaining to laborer activities and proper installation and quality control of various erosion and sediment control devices for utility installation. Other topics include an overview of pertinent inspection procedures. (6PDH)

Who should attend?

This one-day course is designed for those who work on utility construction projects. The course will cover storm water permit requirements, best management practices to use on site, timing of installations, proper installation of BMPs and implementing the SWPPP.

Date and Location

Friday March 11, 2016
AGC Office
525 Park Street
St. Paul MN 56103

Speakers

Attendees of this event will hear from University of Minnesota Erosion and Stormwater Management Certification Program instructors and affiliates.

Registration

To register, complete the information below on this form, or go to www.erosion.umn.edu. Register early, as space is limited and registration will close 7 days before the event date.

Fee

The workshop registration fee is $130 for the Certification class. This fee includes refreshments and the training materials. Associated General Contractor Members can register for this class at a discounted rate of $50.
