Erosion and Sediment Control Regulatory Enforcement

Tuesday May 17, 2016
Oakdale, MN
Registration: $160

Why should you attend?
Are you responsible for determining compliance with construction site erosion control laws and ordinances? Sharpen up your skills and get a chance to discuss observations with other inspectors. This program will provide a mix of classroom presentations and exercises, field inspection exercises, and a discussion forum for questions. This seminar will qualify for 5.5 PDHs.

Who should attend?
This seminar is for people who are responsible for inspecting construction sites for compliance through a Municipal Separate Storm Sewer System entity (MS4).

Attendees should be familiar with the NPDES Construction Storm Water Permit for Minnesota prior to the event. Copies of the permit can be downloaded from www.pca.state.mn.us/water/
